## II. Background

---

Kyriba has developed a Treasury Management Systems and Supply Chain Finance solution, the SaaS Services, and Customer wishes to utilize the SaaS Services, and Kyriba desires to make the SaaS Services available to Customer subject to the Agreement.

---

## III. Use of SaaS Services

---

### III.1. Access Right

Subject to the terms and conditions herein, Kyriba hereby grants to Customer a limited, non-exclusive, non-transferable (except as expressly permitted by this Agreement) right to access and to use the SaaS Services for its internal business purposes, including processing its data and the data of its Subsidiaries, and joint ventures that are primarily managed by Customer.

Without limiting the restrictions set forth in Section 3.3, Customer understands and agrees that Customer may not use the SaaS Services to process data of a third party for hire, or cause the SaaS Services to be accessed by any third party.

### III.2. Usernames and Passwords

Customer acknowledges and agrees that only Users are entitled to access the Kyriba SaaS Services.

Access rights to SaaS Services are granted through service tokens that are associated with accounts. Each account contains a unique username and password. Customer will ensure that each User account associated with a service token will be used by only that User. Generic user accounts by default are created within the Customer's production environment, and are identified as follows:

- SUPPORT01 and SUPPORT02, accounts for Kyriba Support team to analyze and troubleshoot problems or issues encountered in production;
- CONSULTANT01 and CONSULTANT02, accounts for the Professional Services team for the implementation and development of the Customer solution.

These generic user accounts cannot be used by the Customer to process its Customer Data. Notwithstanding the foregoing, the Customer remains responsible for the administration of these generic user accounts and therefore the Customer may at any time deactivate any one or more of these generic user accounts. The Customer nevertheless agrees and acknowledges that Kyriba Support can only commence work on customer request(s) once the relevant Generic User Account (SUPPORT01 or SUPPORT02) has been reactivated by the Customer.

### III.3. Restrictions on Use

Customer acknowledges that the systems architecture, structure, organization and source code of the SaaS Services, and the selection, compilation and analysis of all data in the SaaS Services constitute valuable trade secrets of Kyriba. Customer agrees that it will not, and will not permit any User or other third party to: (a) modify, adapt, alter or translate the SaaS Services, except as expressly allowed herein; (b) sublicense, lease, rent, loan, distribute, or otherwise transfer the SaaS Services, including, as applicable, the "Documentation" (which is defined as the on line documentation provided with the SaaS Services), software, associated user interfaces, help resources, and any related technology or services Kyriba makes available via the SaaS Services and the internet, and all updates and upgrades thereto, if any, to any third party; or (c) reverse engineer, decompile, disassemble, or otherwise derive or determine or attempt to derive or determine the source code (or the underlying ideas, algorithms, structure or organization) of the SaaS Services. The copyright and all other Intellectual Property Rights (defined below) in the SaaS Services are the sole and exclusive property of Kyriba or its suppliers. All rights not expressly granted to Customer are reserved to Kyriba. For purposes of this Agreement, the term "Intellectual Property Rights" means any and all now known or hereafter existing: (i) rights associated with works of authorship, including copyrights, mask work rights, and moral rights; (ii) trademark, or service mark rights (iii) trade secret rights; (iv) patents, patent rights, and industrial property rights; (v) layout-design rights, design rights, and other proprietary rights of every kind and nature; and (vi) all registrations, applications, renewals, extensions, or reissues of the foregoing, in each case in any jurisdiction throughout the world.

The Parties agree to work together to exchange all necessary information for the discharge of each other's obligations under this Agreement through regular and active collaboration, ensuring effective and efficient work among their teams. Each Party shall promptly notify the other of technical, organizational, human, financial or other difficulties which may impact the performance under the Agreement.

### **IV.2. Kyriba Responsibilities**

Kyriba shall perform its obligations under the Agreement in a professional, workmanlike manner, with the degree of care that is required by sound professional procedures.

---

## **V. Term and Termination**

---

### **V.1. Term**

This Agreement shall commence on the Effective Date and shall remain in full force and effect for a period of three (3) years (the "Initial Term") unless terminated earlier in accordance with Section 5.2b and shall be automatically renewed for consecutive three (3) year terms unless either party provides written notice to the other of its intention not to renew at least thirty (30) days prior to the expiration of the term then in effect.

The Initial Term and any renewals thereof shall be collectively referred to as the "Term". A merger, re-capitalization, sale of stock, asset sale, corporate bankruptcy, liquidation, or other similar action shall not relieve Customer of its financial obligations under this Agreement. In such an event, the full amount of any money due to Kyriba under the Agreement shall be immediately due and payable by Customer or its successors or creditors.

### **V.2. Termination for Cause**

Either party may terminate this Agreement for material breach by the other party upon written notice of not less than thirty (30) days and failure to cure such breach within the notice period. However, either party may immediately terminate this Agreement for patent, copyright, or trademark infringement or breach of confidentiality by the other party. With or without notice, Kyriba may modify or terminate any or all SaaS Services or restrict Customer's use if, in Kyriba's sole judgment, use of the SaaS Services by Customer: (a) is subject to an order from a court or governmental entity stating that such use must cease; or (b) violates applicable law.

### **V.3. Effect of Termination**

Upon termination, all rights granted to Customer under this Agreement shall cease immediately, and Kyriba will return to Customer or destroy all data files in Kyriba's possession. Customer remains liable to pay Kyriba for the SaaS Services (a) received through the date of termination of this Agreement, and (b) for the entire contracted term in the case of termination based upon a material breach by Customer.

The provisions, which by their nature or context are intended to survive any termination or expiration, shall survive any such termination or expiration of this Agreement.

---

## **VI. Return of Customer Data**

---

Customer can retrieve from the platform its standard reporting data under XLS, CSV or TXT formats, without the involvement of Kyriba, at any time. Nevertheless, no later than 30 days following the termination or expiry of the Agreement, the Customer may request Kyriba to return its data.

The return of Customer Data by Kyriba will be invoiced at the price in effect at the time of the performance of this service. In the absence of any Customer Data return, Kyriba shall be authorized, in its absolute discretion, to destroy all the Customer's data files which are in its possession at the date of such termination or expiry.

---

## **VII. Payment**

---

The invoiced amount shall be paid promptly by the Customer in accordance with conditions set forth in the Order Schedules ("Order Schedule Implementation - Statement of Work", "Order Schedule SaaS Services", "Order Schedule Spot Consulting").

---

## **VIII. Warranties and Disclaimers**

---

### **VIII.1. Limited Services Warranty**

Kyriba warrants to Customer that, during the Term, the SaaS Services will operate substantially in accordance with the Documentation to be provided.

This limited warranty shall not apply to problems that result from (i) factors outside of Kyriba's reasonable control; (ii) any failure by Customer to comply with this Agreement; (iii) any failure by Customer to use the SaaS Services in accordance with the Documentation or other instructions provided to Customer by Kyriba; (iv) any unauthorized use of the SaaS Services; (v) Customer's or any of Customer's third party's hardware, software, and equipment; (vi) Customer errors in entering, analyzing, or reporting data; (vii) the fault or negligence of Customer, Users, operator error, improper use or misuse of the SaaS Services, or any other causes external to the SaaS Services or Kyriba; or (viii) downtime as a result of scheduled maintenance performed by or on behalf of Kyriba.

### **VIII.2. Updates & upgrades**

Any updates or upgrades provided to Customer hereunder shall be warranted to the same extent as the SaaS Services as set out in this clause 8.1.

### **VIII.3. Disclaimer**

EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, the license and SaaS Services are provided "as is" and as available and to the maximum extent permitted under applicable law, Kyriba makes no (and hereby disclaims all) other warranties, representations, or conditions, whether written, oral, express, implied or statutory, including any implied warranties of merchantability, title, against infringement, or fitness for a particular purpose, with respect to the use, misuse, or inability to use the SaaS Services (in whole or in part) or any other products or services licensed or provided to Customer by Kyriba, or otherwise under this Agreement. Without limiting the foregoing, Kyriba does not warrant that operation of the SaaS Services shall be available at any time or location, uninterrupted, secure or error-free and that all errors can be corrected. Operation of the SaaS Services may be interfered with by numerous factors outside of Kyriba's control and Kyriba does not warrant that the content of the SaaS Services will be free of harmful components.

---

## **IX. Damages**

---

### **IX.1. Types of Damages**

Except for any breach of Kyriba's intellectual property rights hereunder, in no event shall Kyriba or Customer, or any parent, subsidiary, affiliate, or supplier of Kyriba or Customer, be liable to the other party for any special, indirect, incidental, punitive, or consequential damages, including damages or costs due to loss of profits, data, use or goodwill, personal or property damage regarding this Agreement or resulting from or in connection with Kyriba's performance hereunder or the use, misuse, or inability to use the SaaS Services or other products or services hereunder, regardless of the cause of action or the theory of liability, whether in tort, contract, or otherwise, even if the liable party has been notified of the likelihood of such damages occurring. In no event shall Kyriba be liable for procurement costs of substitute products or services.

KYRIBA FURTHER SHALL NOT BE LIABLE TO CUSTOMER FOR ANY CLAIMS, CAUSES OF ACTION, COSTS, EXPENSES, DAMAGES OR OTHER LIABILITIES OF ANY NATURE WHICH MAY ARISE FROM OR BE ASSERTED AGAINST KYRIBA AS A RESULT OF ANY DISPUTE BETWEEN A THIRD PARTY (INCLUDING BUT NOT LIMITED TO A SUPPLIER, VENDOR, OR CUSTOMER OF THE CUSTOMER) AND CUSTOMER ARISING FROM ANY DEALINGS BETWEEN A THIRD PARTY AND CUSTOMER, WHETHER IN CONNECTION WITH THE SaaS SERVICES OR OTHERWISE.

---

## IX.2. Amount of Damages

Except for any breach of Kyriba's intellectual property rights hereunder, the cumulative liability of either party arising out of or in any way connected to this Agreement shall not exceed the total cumulative monthly fees (as defined in the order schedule) paid by customer to Kyriba during the twelve (12) months preceding the claim giving rise to such party's liability. The existence of one or more claims under this agreement will not increase a party's liability in excess of the foregoing.

## X. Confidentiality

By virtue of this Agreement, either party may have access to Confidential Information of the other party as set out below in this clause 10.

For the purposes of this Agreement, "Confidential Information" means all information and material of a technical, economic, financial or business nature, whether or not reduced to writing or other tangible form and whether or not marked as "confidential" or "proprietary", including without limitation trade secrets and other information concerning the business affairs of the disclosing party, compositions, data, designs, drawings, formulae, graphs, inventions, ideas, know-how, models, photographs, processes, product prototypes and specifications; current and anticipated customer requirements; customer lists, price lists, and supplier lists; past, current and planned research and development; past, current and planned manufacturing, development, marketing or distribution strategies, methods and processes; market studies; business plans; computer software and programs (including object code and source code); computer software and database technologies, systems, structures and architectures; and any other information, howsoever documented, that may be disclosed by the parties during the Term of this Agreement.

In the event that the SaaS Services are held or are believed by Kyriba to infringe a third party's intellectual property rights, Kyriba may, at its option and expense (a) replace or modify the SaaS Services to be non-infringing; (b) obtain for Customer a license to continue using the SaaS Services; or (c) terminate the Agreement and return to Customer any fees unearned by Kyriba, to the extent any such fees have already been paid by Customer.
